

engin VoIP Ignition Plans

If you're looking for great value in an easy to understand package, then our VoIP Ignition bundles will suit you. Each plan includes ADSL2+ broadband access with a data quota you can use anytime (no peak or offpeak times to worry about) and a VoIP plan that includes unlimited local and national calls. To save even more, you can go naked and get rid of your old landline.

*Residential use only. **Unlimited and 20 cent calls are to standard international landlines only. Unlimited landline countries include: Canada, France, Germany, Ireland, Netherlands, Spain, UK, and USA. 20 cent countries include China, Greece, Hong Kong, Israel, Italy, Malaysia, New Zealand, Norway, Portugal, Singapore, Sweden, Switzerland, and Taiwan.

engin VoIP Ignition plans include:

- A dedicated voice channel, ensuring the highest VoIP call quality even if your connection is shaped.
- All VoIP calls are excluded from your monthly data quota.
- Unmetered uploads. We only count your downloads.
- No excess download charges (instead we shape your speed to 256kbps).
- The ability to purchase afterburners to top-up your data quota should you exceed your monthly limit.
- FREE call features including Voicemail, Caller ID, Call waiting and more
- Monday through Saturday support from our Sydney-based team.

Plus if you really love your existing landline number you can transfer it to an engin landline service for \$28.95 per month.
